Lighthouse Association

www.eldredrocklighthouse.org

Registration forms at both JRC's, NAO,

and Foggy Mountain

You are a lighthouse keeper and even on a blustery winter night, you keep the light burning....This is a night race, starting right after sunset, start the decade off right!

The course starts at the whale and follows the peacefully lit boardwalk downtown, but a headlamp is recommended, (as well as ice cleats if necessary). This is the first in a TWO RACE Series (but racing in both isn't mandatory). Prizes and give-aways!
