

Beat the Odds 2020 2 mile Walk Course

The start for the 2 mile walk course is by this light post near the Riverbend School covered area. This is the view at the start with your back to the shelter and facing the ball field concession stand. Head towards the concession stand and turn left between the ball fields. **Please note: this is different than the start of the run and walk in previous years.**

Go around (or under or over!) the gate at the end of the ball fields near the Dimond Park field house and head into the paved parking lot to the right of the building.

Get onto the paved Brotherhood Bridge trail from the parking lot of the Dimond Park field house:

Once you're in the trees, follow the paved trail.

Turn left at this intersection to cross the pedestrian bridge:

At the fork in the trail, turn left for the 2 mile walk:

After turning left at the fork in the trail, follow the paved path. Do NOT turn onto the gravel trails as the BTO walk has in past years.

Once you're out of the trees, turn right onto the new paved portion of the trail.

Follow the trail back and to the right (almost making a U-turn) to the parking lot:

Cross the parking lot in the crosswalk to the sidewalk on the opposite side. Turn left on the sidewalk.

Cross Mendenhall River on Brotherhood Bridge heading towards Safeway:

Turn left on the sidewalk at Vintage Blvd:

Turn left on the sidewalk at Riverside Drive just past the Post Office:

Turn left into Riverbend School. The walk concludes in the parking lot, or wherever you parked your car.
